

# CAGI PERSONNEL CERTIFICATION PROGRAM

## Certified Compressed Air System Specialist (CCASS)

**Get Certified!** CAGI's certification program for compressed air system specialists provides a means of verifying the capabilities of professionals in the compressed air systems industry. As a CCASS, you will be able to differentiate yourself from others in the industry and demonstrate that you are qualified to design, service, sell, and install compressed air systems and compressed air systems equipment.

- ✓ **Computer-based Exam**
- ✓ **Get Test Results Immediately**

Exam Fee:  
**\$450**

### Who Should Take the Exam?

You should take the exam if you are interested in being **certified** as a compressed air system specialist. The exam is available to any compressed air professional, regardless of education, background, or work experience.

### How Can I Register?

[Register](#) for the exam

Locate a test center, and schedule an exam.

**Attending the CABP Expo in Atlanta?**  
**Take the exam while attending the tradeshow.**

#### *Exam times:*

Tues., Oct. 4, at 3:00 p.m.

Wed., Oct. 5, at 3:00 p.m.

Thurs., Oct. 6, at 8:30 a.m. and 10:30 a.m.

To register for the exam at CABP Expo, follow these steps: Access the [CAGI website](#), tap "Register for Exam," tap "CCASS Logo," and tap "Exam Catalog" to access registration for the CABP Expo exams.

### How do I prepare for the exam?

CCASS is designed to assess understanding of compressed air systems and related concepts. The exam's focus is on applied knowledge, skills, and abilities (KSA);

therefore, the study of references alone is not likely to ensure success on the exam. CAGI does not publish a study guide, but a list of [resources](#) on CAGI's website will guide your study.

### How long is the exam?

The CCASS exam is 80 multiple choice questions, and you have 1.5 hours to complete the exam.

### How long will I have to wait to get my results?

The exams are computer-based; therefore, results will be immediate. If you pass the exam, you will receive a certificate with a unique certification number as well as a certification seal to be used on business cards and correspondence.

### May I retake the exam if I don't pass it?

You must wait at least three months before reapplying to take an exam. You will be required to pay the application fee for each additional exam.

### How long does my certification last?

The CCASS certification is active for three years. Once certified, you must recertify every three years to maintain your certification. Information on recertification is on CAGI's website.

### Questions/Additional Information

Contact the CAGI office at 216/241-7333 or at [cagi@cagi.org](mailto:cagi@cagi.org).

Additional information on the program can be obtained by visiting, [www.cagi.org](http://www.cagi.org).
